Update

It's getting close to Resistance 500 and there is going to be so much happening here that even many people organizing are having a hard time keeping track of all the events. Us in SF and East Bay Food Not Bombs sure are looking forward to October and are now gearing up for supporting all the events with food. However, coordinating our participation in the events, supporting them with food, doing our regular daily meals, and having a gathering is going to be a big challenge. Please call us and let us know if you're coming out so we can better plan for this (phone #s are below). Also, let us know if you have childcare or disability needs so we can make the necessary arrangements. Well, hope to see you! Please duplicate the flyers on the back of this.

Proposed Schedule for the Gathering

Wednesday, October 7th

Night:

Check in at Epicenter, 475 Valencia St. (415) 431-2725. Here someone will meet you with food and a place to stay. There will be all kinds of good people and information on the many events happening in the area.

BLACK BLOC

THE WEB COLLECTIVE IS PUTTING OUT A CONTINENT-WIDE CALL FOR A BLACK BLOC IN CONJUNCTION WITH THE "500 YEARS OF GENOCIDE" RESISTANCE ACTIVITIES (ORGANIZED BY AIM) ON OCTOBER 11 1992 IN SAN FRANCISCO. SINCE SF HAS BEEN DECLARED THE OFFICIAL COLUMBUS DAY CELEBRATION SITE FOR THE NATION, WE WOULD LIKE TO SEE ANARCHISTS FROM ALL OVER JOIN IN THE NATIONAL OPPOSITION. A WAR CHEST ACTION IS BEING PLANNED, AS WELL AS SUPPORT TO AIM ACTIONS. WE ARE CALLING A STRATEGY-PLANNING SESSION AND POSTERING PARTY FOR OCTOBER 10, THE NIGHT BEFORE. WE WELCOME PARTICIPANTS TO BRING LITERATURE TO DISTRIBUTE TO OBSERVERS, ESPECIALLY LITERATURE FOCUSING ON THE RESISTANCE STRUGGLES OF TODAY. ASSISTANCE WITH HOUSING SHOULD BE AVAILABLE. WOMEN AND PEOPLE OF COLOR ARE ESPECIALLY WELCOME!

WHO ARE THE WEB COLLECTIVE? THE COLLECTIVE IS COMPRISED OF SOME OF THE PEOPLE WHO HAVE BEEN PUTTING OUT THE WEB, "AN ANARCHIST NEWSLETTER FOR THE BAY AREA," SINCE JANUARY. WE ARE ANARCHIST ACTIVISTS COMMITTED TO JOINING WITH OTHERS IN STRUGGLES AGAINST PATRIARCHY, WHITE SUPREMACY, CAPITALISM, ECOLOGICAL DESTRUCTION, AND OTHER AUTHORITARIAN OPPRESSION.

WHAT IS A BLACK BLOC? A BLACK BLOC IS A TACTIC DEVELOPED BY THE AUTONOMOUS MOVEMENT IN EUROPE. PARTICIPANTS DRESS ALL IN BLACK WITH MASKS AND HEAD COVERINGS SO THAT THEY CANNOT BE IDENTIFIED AND THEIR BODIES CANNOT BE DISTINGUISHED FROM ONE ANOTHER. DURING ACTIONS THEY PROTECT EACH OTHER FROM ARREST AND CARRY OUT STRATEGIES COOPERATIVELY. HAVING MASKED IDENTITIES GREATLY REDUCES THE RISK OF ANY PARTICIPANTS BEING SUCCESSFULLY PROSECUTED.

WHAT IS A WAR CHEST ACTION? A WAR CHEST ACTION IS A WELL-RESEARCHED CAMPAIGN AGAINST THOSE WHO HAVE PROFITED MOST FROM OUR OPPRESSION, IN THIS CASE FROM 500 YEARS OF IMPERIALISTIC GENOCIDE. DIE-INS AND OTHER ACTIONS AT VARIOUS FINANCIAL DISTRICT LOCATIONS ARE POSSIBILITIES. A SF WAR CHEST WOULD MIRROR A SIMILAR ACTION IN NYC ON THE SAME DAY.

THE POSTERING PARTY IS PART OF A CONTINENTAL EFFORT (FACILITATED BY LOVE & RAGE) TO COVER THE WORLD IN TRI-COLOR ANTI-COLUMBUS DAY PROPAGANDA OVERNIGHT. POSTERS PROVIDED. BRING ROLLS OF TAPE!

HELP HELP HELP IS NEEDED IN MAKING THIS VERY AMBITIOUS PROJECT HAPPEN. IF YOU LIVE IN THE BAY AREA AND CAN HOUSE ANARCHISTS FROM OUT OF TOWN, HELP ORGANIZE, RESEARCH, OR PLAN THESE ACTIVITIES, OR EVEN IF YOU CAN EXPRESS SUPPORT, PLEASE PLEASE PLEASE CALL 510-273-2449. OUT-OF-TOWNERS PLANNING TO ATTEND, PLEASE SEND LOVE TO THE WEB COLLECTIVE, POB 40890, SF, CA 94110, ATTENTION

August 1992

Dear Food Not Bombs,

Greetings! The increase in new Food Not Bombs chapters is very inspiring. The sharing of newsletters between groups has contributed to the excitement and several new projects are evolving. The "national" gathering in the San Francisco Bay Area on October 8, 9 & 10, the continued sharing of newsletters and the discovery of new groups has moved several of us to propose a Food Not Bombs Cook Book, now that our first book is out (more about this on page 2). Our proposal goes like this:

- A. Interested groups should send at least one recipe if possible to Amy at Boston Food Not Bombs (address below) where they have a computer, a laser printer and a vello-binder.
- B. Recipes could be typical of each group and may reflect the geography or some special feature that is particular to the local Food Not Bombs group. (Vegetarian please!)
- B. Recipes should be scaled for both approximately 100 servings and for approximately 4 servings.
- C. Include a permanent address.
- D. Submit a paragraph about your group's goals.
- E. Submit drawings or photos to go with your recipes.
- F. Include interesting tips, such as how to serve large numbers of people outside without much money, ideas about sanitation, recycling, etc.
- G. Submit recipes by November 1, 1992

We hope this second book shows that each group is unique, autonomously arriving at solutions from different, nonviolent points of view. Highlighting the geographic range of Food Not Bombs might encourage others to start their own groups. This book could be printed in small editions and vello-bound so that as more groups send in recipes and artwork, the book can be expanded and accurately reflect our growth. Send in your ideas soon! We would like to have the first edition completed by December 1992, so please submit your ideas by November 1, 1992.

Several volunteers in San Francisco have started a 30 minute monthly radio program featuring hot topics as they relate to Food Not Bombs with music mixed between comments by people at protests or visitors to the Food Not Bombs tables. This project could adapt well to including interviews from each local chapter. A member of San Francisco Food Not Bombs has a mixer. So far, we have produced 2 tapes. This month, we mailed out tape order forms to 700 community radio stations in the U.S. along with an announcement about our first book, *Food Not Bombs, How to Feed the Hungry and Build Community*. (See the enclosed flier.)

Food Not Bombs, How to Feed the Hungry and Build Community describes ways to start a local group, vegetarian recipes for 100+ people and examples of past actions taken by Food Not Bombs. A suggestion as a way to start more groups is if each chapter distributed The Food Not Bombs book in their area and arranged to talk about the book and Food Not Bombs with local media. It seems that radio stations love to do interviews with people about their books so its a great way to do outreach. The books cost us \$5.00 each to produce and can be bought at cost by contacting:

Food Not Bombs Publishing
1430 Massachusetts Avenue, #306-35
Cambridge, MA 02138

The above address is also Amy's address for submitting cook book ideas.

Each group is also welcome to get T-Shirts, buttons and bumper stickers at cost from either Cambridge Food Not Bombs or San Francisco Food Not Bombs. (\$.25 for buttons, \$.50 for bumper stickers and \$5 for T-shirts when available). These are great fund raisers and can spread of the idea of *Food Not Bombs*.

Keep cooking!

Sincerely,
